

# BEAKSPEAK:

The fun children's book for teachers & parents designed to get the conversation started.

This book uses chickens to illustrate how the English language doesn't have to be complicated and confusing for children.

- Guides teachers, parents & students through correcting common speaking errors
- Teaches critical thinking skills
- Builds confidence & social awareness
- Makes students think for themselves instead of relying on stereotypes
- Demonstrates how kindness defeats Bullying
- Provides workbook questions and suggested answers

What did Walt mean when he said she's a "Good Egg" ?
